AFFIDAVIT

BEFORE ME, the undersigned authority, this date personally appeared Jerry Wayne Causey, who after being sworn by me did state upon her oath the following:

"My name is Jerry Wayne Causey. I am giving this statement to investigator Gil Wilson on my own free will.

On approximately March, 1997, a person named John Wade Adams, known as Zig-Zag came to my house at 618 Cliff. He wanted me to ride with him. I said okay, and got in his car. As he took off, I asked him who's car it was and he said the "bitch's" car. I asked what "bitch" and he said the "bitch" I killed. I said, yeah, right.

Also, I heard a conversation or argument between Zig-Zag and Jerimiah Tatum saying "I've killed once and I'll kill again".

I was called from Lew Sterrett Center by the District Attorney's office to discuss this information in approximately November of 1997.

I hereby state under oath that the facts set out above are within my personal knowledge and are true and correct."

JERRY WAYNE CAUSEY SUBSCRIBED AND SWORN TO

BEFORE ME on *this* day of

December, 2001.
